

Garage Sales

In our travels about the Township, we noticed that you were having a garage sale. We hope that you were successful and wish to help if you have another sale in the future. To help you advertise your sale, email the details (location, dates, times...) to tbressette@saginawtownship.net, and we will add it to our website!

In the meantime, the following are guidelines applied to garage sales:

General:

- ➔ Only three (3) garage sales per residence in a calendar year.
- ➔ Each sale may not exceed four (4) days in length.
- ➔ To maintain the residential character of our neighborhoods, garage sales are temporary and are not intended to be a commercial venture.
- ➔ There is no Township registration or registration fee that is required to hold a garage sale.

Signs:

- ➔ A sign permit is not required for garage sale advertising signs.
- ➔ Advertising signs shall not exceed 5 sq. ft. and should be placed on the opening day of your sale and removed upon completion of operations on the last day.
- ➔ A sign advertising your sale on main roads should be limited to the entrance(s) to your subdivision and within a reasonable distance to your sale.
- ➔ To facilitate safety, these signs should be placed in the ground (on wires or stakes, and without balloons, streamers, or flags) approximately ten (10) feet from the edge of the road. Be considerate about placing signs on property that is not yours.
- ➔ Utility companies prohibit advertising signs on their utility poles or pedestals.
- ➔ For vehicular and pedestrian safety, signs on traffic sign posts and street sign posts are also prohibited.
- ➔ All signs are prohibited in the road right-of-way on the four corners at the intersection of Shattuck and Center.

If you have any questions or need clarification of these guidelines, please contact the Township's Department of Community Development at 989-791-9865.
